

Section 3 - External Auditor Report and Certificate 2023/24

In respect of **Wroxton & Balscote Parish Council**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor limited assurance opinion 2023/24

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The Council is required to approve Section 1 and 2 of the return individually in a specified order which the minutes duly reflect, however in the previous year the minute references provided on the Return did not agree to the minute reference on the minutes where the AGAR was approved. We therefore expected this to be reflected in a 'No' response to Assertion 3 on the 2023-24 return however the Council answered 'Yes'.

Other matters not affecting our opinion which we draw to the attention of the authority:

The Council's website was not entered on Section 1 of the Annual Return on the initial submission. The Parish Council should take care to ensure the form is fully completed in the future to ensure full compliance with the regulations and code of practice. The form was later amended and resubmitted to us with this being completed.

Boxes 1-6 of Section 2 of the AGAR does not arithmetically add down to Box 7 by £1 when summed. When rounding the numbers for the Return care should be taken to ensure boxes 1-6 sum to box 7 in accordance with Paragraph 2.19 of JPAG Practitioners' Guide 2023 and that box 7 agrees or reconciles to box 8 as is required per Paragraph 2.23 of JPAG Practitioners' Guide 2023.

3 External auditor certificate 2023/24

We certify/~~do not certify~~* that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2024.
